SUBJECT: FLOODPLAIN INQUIRY

Leichner Landfill – Parcels 105740000, 199863000, 199845000

Staff has reviewed the three referenced parcels for the presence of floodplain inundation. FEMA FIRM Panel numbers 53011C0379D and 53011C0387D and county GIS data were used to verify location of each parcel and their proximity to the Special Flood Hazard Area (SFHA).

Based upon the above review, it has been determined no portions referenced parcels are with the county mapped SFHA.

Sincerely,

Michael Soliwoda, P.E.
Engineer III
