Helpful Tips for ZOOM Hearings

- Familiarize yourself with ZOOM application prior to your hearing, by visiting <https://support.zoom.us/hc/en-us/articles/206175806>
- At the time of your hearing, find a quiet, well-lit place for clear and distraction-free audio and video. Turn off TVs, radios, and phone notifications. If there are others around you, try moving to a room with a door you can close.
- If joining by video, find your device's video camera and make sure it is uncovered. Position the camera at eye level so others can see you clearly.
- If possible, make sure your device is plugged into a power source and not running only off battery power.
- Use headphones, if possible, for the best sound quality and the fewest background noises.
- Speak one at a time and pause before speaking in case there is audio or video lag.
- Enter your first and last name when you join.
- Although this will be a virtual hearing, it is taking place in a courtroom. All rules for courtroom behavior and dress code still apply.
