

1. Can we use previous anti-lobbying forms or do we need to re-sign them with updated dates?
  - a. Each application requires a newly signed Anti-lobbying certification.
2. For TBRA programs, should we write in 20% for case management and assume you may be able to adjust later if additional COVID funding is available?
  - a. Yes, if we have the ability to provide additional funds we will make the adjustment in the contract.
  - b. Please include discussion about the need for assistance due to COVID in your application under the COVID question.
3. Can more than one person access the application in Neighborly?
  - a. No, this is not an option at this time.
  - b. We can download the application for you so that you can collaborate with your staff to draft your response, but only one login will be able to submit the responses in Neighborly.
4. If this is an ongoing program, do we apply for the same amount of funds as we have been awarded in the past?
  - a. Each program should apply for the amount of funds that are needed to operate the program each year based on need, regardless of previous awards.
5. When will contracts be executed for programs?
  - a. When Clark County receives a grant agreement from HUD, usually during the summer after awards are made, contracts can be executed. If a program contract runs on a calendar year the contract will begin January 1, but you can request an earlier start date if needed.
6. Is there a maximum request for funds?
  - a. Yes, \$300,000.
7. Are any of the COVID funds related to mortgage assistance?
  - a. HUD guidance has been limited. Mortgage assistance may be eligible, but would be considered a public service which is not eligible with regular CDBG and HOME allocations.
