Submittal requirements

Please review submittal requirements. Incomplete applications will delay processing this project. Submittal requirements are available on our website and on CC LMS, online permitting system:

- Website: www.clark.wa.gov/public-works/development-engineering
- CC LMS: www.clark.wa.gov/community-development/clark-county-land-management-system

Apply online

Visit CC LMS here: www.clark.wa.gov/community-development/clark-county-land-management-system

Note: Convenience fees apply to payments made online.

Signatures

This application must be signed by ALL owners. This also authorizes the designated Applicant's Representative or Contact (if applicable) to act on behalf of the Applicant for processing this request.

Applicant and Owner Authorization and Acknowledgement

The undersigned hereby certify that all information submitted with this application is complete and correct. False statements, errors, and/or omissions may be sufficient cause for denial of the request. This application gives consent to Clark County staff to enter the properties listed above.

Post Plan Approval Applications

Applicant's Representative and / or Contact (if applicable) agree that **this is an hourly billing application** and fees above the \$200.00 deposit will be assessed.
