Truman Neighborhood Association and Covid

Like you, Covid has impacted the TNA in so many ways. We have not had our annual events, the Bike Safety & Fun Fair, our neighborhood yard sale, our volunteering at Truman Elementary and our in person meetings.

Your TNA Council not only organizes events to connect our neighbors, but we serve as an informational resource when you want to know what is going on in the neighborhood, or who to contact about that sofa left out on the side of the road or that vacant lot with the really tall weeds and grass.

We would like to continue to be of service to our neighbors and to continue our events next year, if all goes well. But to achieve that goal, your help is needed.

Please consider joining the TNA Council. If you are interested in this volunteer opportunity to be more involved in our community, contact me, Cheryl Burkey, your TNA Chair for more information at:

trumanneighborhood@gmail.com

New ideas and fresh perspectives are what keep us active, connected and strong.

Help Wanted

We would like to publish our Truman Newsletter in Spanish. Our newsletters are posted on our webpage (www.clark.wa.gov/county-manager/truman) and I have confirmed that the County will post the Spanish version as well. We do need some volunteers to translate for us though. If we had a few volunteers we could spread the articles around so that it would not be too time consuming for just one person. If you are interested and can help out, please email us at: trumanneighborhood@gmail.com.
