# Mount Pleasant School District No. 29-93

## Proposition No. 1

### Maintenance and Operations Levy

The Board of Directors of Mount Pleasant School District No. 29-93 approved a proposition for educational levies. This proposition provides for the support of educational programs, facilities, maintenance and operations by authorizing the levy of the following excess taxes on all taxable property within the District, as specified in District Resolution No. 2021-2022-7

Collection Years	Approximate Levy Rate per \$1,000 Assessed Value	Levy Amount
2023	\$2.11	\$155,000
2024	\$2.00	\$155,000
2025	\$1.85	\$155,000

Should this levy be Approved?

Levy...Yes  Levy...No

### EXPLANATORY STATEMENT

The Board of Directors of Mt. Pleasant No. 29-93 approved Resolution No. 2021-2022-7 requesting voter approval of a renewal of the current rate for a three-year maintenance and operation levy of \$2.11/\$1,000 2023, \$2.00/\$1,000 2024 and \$1.85/\$1000 in 2025. Passage would allow the levy of property taxes over a three-year period to support educational programs and operation costs that are not adequately funded by the state and a reduction in federal forest funds and elimination of levy equalization funds.

### STATEMENT FOR

Mt. Pleasant school District is requesting a simple renewal of its current Maintenance and Operations Levy for the years, 2023, 2024, and 2025. There is no increase over the current rate.

These levy funds fill the gap between the amount provided by the State and Federal Sources for operation of the school. These funds have been declining for many years.

The school is being run in as efficient manner as possible. We have 4 teachers offering 9 grades.

Washington State law requires that all property be incorporated into an educational taxation district. Mt. Pleasant residents have the long-term choice of operating their own school district, or being consolidated into Washougal district, which has a higher total M/O, Technical levy and capital bond rates.

Vote "Yes" to assure quality education and facilities for all kids now and in the future.
