Roads End Neighborhood Association

We're looking for a few great volunteers to re-activate our neighborhood association.

We will need at least 3 volunteers to serve on our Board and help us organize neighborhood activities. This will require about two hours a month of your time. If this sounds like something you would like to be a part of, we would like to hear from you!

Check out our page on the county's web site!

Did you know? Neighborhood Associations are NOT an HOA!

Residents form and run the county's neighborhood associations. Neighborhood associations DO NOT charge dues or fees. Volunteers regularly receive information from Clark County so their members can be better informed on issues such as road construction, annexation plans, new housing or business development, etc. **Whether you own or rent your home, all are welcome!**

Neighborhood association newsletters are copied free of charge by the Clark County Neighborhood Outreach Office and Clark County's Print Shop. The information and views expressed are solely those of the neighborhood association and not of Clark County Government.
