The Relay is from 9 AM to 9 PM. Organizers are looking for countless volunteers to help plan and run this event. Inspirations

- 1- Never make fun of someone who speaks broken English. It means they know another language.
- 2- Be decisive. Right or wrong, make a decision. The road of life is paved with flat squirrels who couldn't make a decision.
- 3- If you take care of things, they last.

Puns To Ponder

- 1- A man's home is his castle, in a manor of speaking.
- 2- A pessimist's blood type is always b-negative.
- 3- My wife really likes to make pottery, but to me it's just kiln time.
- 4- Dijon vu --- the same mustard as before.
- 5- A Freudian slip is when you say one thing but mean your mother.

Clark Neighbors Food Project

The Clark Neighbors Food Project (CNFP) is a revolutionary way to collect food:

It's a donor drive, not a food drive. On the second Saturday of every even month—our Neighborhood Coordinators pick up bags of healthy nonperishable food that neighbors have left outside their front doors. They leave empty green bags for next time and take all the food to local Food Pantries. It's that easy!

If you would like to participate and donate, or become a Neighborhood Coordinator, please contact clarkfoodproject@gmail.com www.clarkfoodproject.org

Origins of Phrases / Idioms

Get one's goat - Meaning: To irritate or annoy someone. Origin: Comes from horseracing, Jockeys placed goats in their stables with their horses as this

was said to relax the horses. However, competitors would remove the goats of their rivals to spook their competitors horses, hoping they would consequently lose the race.

Pull out all the stops - Meaning: To do everything you can to make something successful. Origin: Alluding to the piano-like instrument, the organ. This phrase refers to when the stops are pulled out to turn on all the sounds in an organ, allowing the organ to play all the sounds at once and, therefore, be as loud as possible.

Steal someone's thunder - Meaning: Infringe on someone's thoughts, ideas, inventions. Origin: In the early 1700 English dramatist, John Dennis, invented a device that imitated the sound of thunder for a play he was working on. The play flopped. Soon after, Dennis noted that another play in the same theater was using his sound-effect device. He angrily exclaimed, "That is my thunder," by God; the villain will play my thunder, but not my play. The story got around London and the idiom was born.

**Neighborhood Association
Mission:**

The residents of the Hazel Dell area established the NE Hazel Dell Neighborhood Association (NEHDNA) in order to unite the common interests and promote the welfare of the area. The association is involved with a variety of matters, which affect the livability of the neighborhood and community in general.

All residents within the neighborhood association boundaries or neighboring areas not within an existing neighborhood association are welcome to attend and participate in the association.

If you have any questions or would like more information, please contact one of the officers or board members listed on this page. The NEHDNA does not subscribe to any religious affiliation or political party. Our desire is to work together for the common good of the neighborhood in which we all live. You don't have to live in the area to be a member or to come to the meetings! All are welcome.

Neighborhood Association newsletters are copied free of charge by the Clark County Neighborhood Outreach Office. The information and views expressed are solely those of the NE Hazel Dell Neighborhood Association and not Clark County Government or their employees.
