

23 corridors. To adequately prepare for additional bridges across the Columbia River,
24 transportation planning must begin in earnest for a third and fourth corridor.

25 NOW, THEREFORE,

26 BE IT ORDERED AND RESOLVED BY THE CLARK COUNTY
27 COUNCIL, STATE OF WASHINGTON, AS FOLLOWS:

28 Section 1. The Clark County Council supports replacement of the I-5
29 Interstate Bridge for traffic and seismic safety, provided that the replacement bridge
30 provides equivalent or expanded lanes for vehicle traffic.

31 Section 2. The County Council further urges all parties to simultaneously
32 begin work to expeditiously construct a third bridge crossing the Columbia River
33 between Clark County, Washington, and Oregon, and to begin planning for a fourth
34 bridge corridor. To this end, the Council requests planning commence with all
35 jurisdictions to join Clark County to integrate the additional bridge corridors into all
36 comprehensive plans and relevant Clark County long-term transportation planning maps
37 in the metropolitan area, including a tie-in with the Clark County Growth Management
38 Act Comprehensive Plan update.

39 Section 3. The County Council supports subsequent permitting, development
40 and funding of roads, structures and open space to complement plans for the additional
41 corridor.
