Did you know?

Neighborhood Associations are NOT an HOA!

Residents form and run the county's neighborhood associations. Neighborhood associations DO NOT charge dues or fees. Volunteers regularly receive information from Clark County so their members can be better informed on issues such as road construction, annexation plans, new housing or business development, etc.

Whether you own or rent your home, all are welcome!

*Our current boundary includes 7,233 households and 5.35 square miles, which is a very large area and why we're having a discussion on splitting and creating a second association.
