**Campaign Contact
Information
RCW 42.52.180**

It is highly recommended that candidates provide a campaign mailing address, phone number, email address and website address when filing for office.

If a candidate does not provide a campaign mailing address, the address in his or her voter registration record will be published online in the list of candidates who have filed.

Make certain that phone numbers, email addresses and website addresses are accurate, functional, and not confidential or private. The use of government email accounts for the purpose of assisting a campaign is considered improper use of public resources and therefore not allowed as campaign or candidate contact information.

**Withdrawal of Filing
RCW 29A.24.131**

A candidate may withdraw his or her candidacy in writing no later than 5 pm Monday, May 22, 2023. There is not a withdrawal period when filing for office during the special three-day filing period. **Filing fees are not refundable.**

**Order of Appearance on
Ballots and in Local
Voters' Pamphlet
RCW 29A.36.131,
RCW 29A.36.170**

The order of candidates' names on the primary ballot and in the primary Local Voters' Pamphlet is determined by lot drawing. The lot drawing occurs after the close of filing week on **Friday, May 19, 2023**. The process is open to the public and begins shortly after 5 pm, after the candidate filing forms have been processed.

For the general election, the candidate with the most votes in the primary will be listed first on the ballot and in the Local Voters' Pamphlet. If no primary is held for an office, candidates will appear on the general election ballot in lot draw order.

Submit Local Voters' Pamphlet Information

The deadline to submit Local Voters' Pamphlet information is **5 pm Friday, May 26, 2023**.

The Local Voters' Pamphlet provides an opportunity for every candidate running for a position to have his or her biographical information, candidate statement, contact information and photo published.

After a candidate files for office, he or she will receive an email with a link. The link can be used to submit the information listed above for publication in the Local Voters' Pamphlet. A candidate may also submit his or her information by email to elections@clark.wa.gov or in person at 1408 Franklin Street, Vancouver. The Elections Office cannot accept information submitted on a flash drive.

To meet the deadline, candidates should submit their information as soon as possible after they file for office. There is no benefit in delaying. Local Voters' Pamphlet submissions are kept confidential until the submittal deadline has passed and all submissions have been approved by the Elections Office.

Any candidate who experiences technical problems while submitting his or her information online should call the Elections Office immediately at (564) 397-2345. Technical difficulties will not excuse candidates from meeting the deadline.

All submissions for the voters' pamphlet must be received in the Elections Office by **5 pm Friday, May 26, 2023**.

Offices that file with the state must make sure to submit voters' pamphlet information to the state within their deadline.

Once submitted, all biographical information, statements, photos and contact information are final. Submissions cannot be revised by the candidate.

Candidates may **NOT** submit a new statement for the general election Voters' Pamphlet. The information submitted for the primary pamphlet will also be used for the general election pamphlet.

Clark County publishes an official Local Voters' Pamphlet for the primary and general election. It is available in printed, electronic and audio formats. The electronic and audio versions are published at clarkvotes.org.

Candidate Biographical Information and Statement

Biographical Information Length

Biographical information must be **100** words or less allocated between the four section headings listed below. Section headings are not included in the word count.

- Elected Experience or Legal/Judicial Experience
- Professional/Work Experience
- Education
- Community Service

If a candidate does not submit a response to a section heading, the heading will appear in the Local Voters' Pamphlet and "No information submitted" will appear in the corresponding section.

Statement Length (RCW 29A.32.121)

The word limit for a candidate's statement is **200** words and may have up to four paragraphs.

Format for Biographical Information and Statements

Each part of a slashed or hyphenated word will be counted as a separate word. For example, "and/or" will be counted as two words and "around-the-corner" will be counted as three words.

Biographical information and statements exceeding word limits will be shortened by the Elections Office in consultation with the candidate. If attempts to reach the candidate are unsuccessful within 48 hours, the Elections Office will shorten the submissions by deleting full sentences from the end until the word limit is reached.

Italics may be used to emphasize specific words or sentences. Any other formats such as bold font, underlined font, or all caps will be changed to italics.

Lists and bullets are not allowed. Lists or bullets will be converted by the Elections Office to a block paragraph, with a semicolon to separate each item and a period at the end.

If a section of the submission is not received by the deadline, the text "No photo submitted", "No biographical information submitted", and/or "No statement submitted" will appear in the applicable sections. If no submission is received for a candidate, the text "No photo, biographical information or statement submitted" will appear along with the candidate name and office being sought.

Washington State Public Disclosure Commission

The Public Disclosure Commission (PDC) provides public access to accurate information about the financing of political campaigns, the expenditures of lobbyists, and the financial affairs of public officials and candidates. The commission ensures compliance and enforcement of Washington's disclosure and campaign finance laws.

Note: The information contained in this section is for informational purposes only. Candidates are advised to verify that they are in compliance with all state, county and local laws. Candidates must contact the PDC directly with any questions or concerns.

The following information is stated on the PDC website.

Several actions make you a candidate in the eyes of the law and prompt the requirement for filing reports with the PDC. For candidates who did not previously announce their candidacy, raise funds or spend money on their campaigns, the declaration of candidacy is the triggering event.

Within two weeks of filing that declaration, most candidates must register their campaigns (C-1 report) and disclose personal financial affairs (F-1 report). **All reports must be filed electronically.**

Registered voter totals by district can be obtained by calling the Elections Office at (564) 397-2345.

Forms, Instruction Manuals and Brochures Available Online

For reporting options, limits and deadlines, please refer to the additional PDC handout enclosed with the candidate filing guide at time of filing or visit the PDC website, pdc.wa.gov, email pdc@pdc.wa.gov or call the PDC at (360) 753-1111 or at (877) 601-2828. Forms and instruction manuals are not available at the Elections Office.

**Candidates Who
Cannot Pay the Filing Fee
RCW 29A.24.091,
RCW 29A.24.101,
RCW 29A.24.111,
WAC 434-215-025**

Candidates or candidate committees who cannot pay the filing fee may submit a filing fee petition. The petition must be presented with the Declaration of Candidacy form at the time of filing. The filing fee petition is available on the Elections Office website at clarkvotes.org. It must contain one valid signature for each dollar of the filing fee. For example, if the filing fee for the office is \$200.00, the petition must contain 200 valid signatures. A signature is valid if the signer is a registered voter who resides in the district/jurisdiction of the office the candidate is seeking. It is recommended that a candidate gather 25 percent more signatures than necessary as it is not uncommon for signatures to be invalid because they are duplicates or the signer is not a registered voter. All signatures must be submitted at the same time. No signatures may be submitted after **5 pm Friday, May 19, 2023**. The filing fee must be either paid in full or the sufficient number of valid signatures must be provided. State law does not allow for a combination of the two.

**Write-In Candidates
RCW 29A.24.311,
RCW 29A.24.320,
RCW 29A.60.021
WAC 434-215-015
WAC 434-215-180**

Write-in candidates must file a write-in declaration to have votes tallied for a race. The write-in declaration must be filed by 8:00 pm on Election Day. If the write-in declaration is filed 18 days prior to an election, no filing fee is required.

Write-in candidates that file 18 days or less before an election must pay a filing fee. For offices with a fixed annual salary of more than \$1,000, the filing fee is 1% of the annual salary. For offices with a fixed annual salary of \$1,000 or less, the filing fee is \$25. Candidates for offices without a fixed annual salary must also pay the \$25 filing fee, including those paid on per diem or per meeting basis.

Candidates may submit a filing fee petition in lieu of the filing fee.

No candidate may file as a write-in candidate:

- For the general election, if the candidate lost the primary, either as a candidate or as a declared write-in candidate.
- If the candidate has filed a valid write-in declaration for another office.
- If the candidate already appears on the ballot for another office, with the exception of the offices of Precinct Committee Officer, Freeholder or Charter Review Commissioner.

According to RCW 29A.24.311, no write-in candidate will be included in any voters' pamphlet unless that candidate qualifies to have his or her name printed on the general election ballot.

**Vacancy in Office
RCW 29A.24.171**

When an incumbent resigns, passes away, or is disqualified mid-term, and candidate filings have not been held for the office, one of the following occurs:

- If the Elections Office is notified of a vacancy before the first day of regular candidate filing for that office, the office will be included in the regular filing.
- If the vacancy in office occurs on or after the first day of regular candidate filing, no election is held for that office until the next general election that the office is allowed by law to have an election. The jurisdiction will fill the vacant position with an appointment until the next election for that office.

**Voids in Candidacy
RCW 29A.24.131,
RCW 29A.24.141,
RCW 29A.24.181**

A void in candidacy occurs if, after the regular filing week but prior to the day of the primary:

- No candidate has filed for an office,
- All candidates who have filed have withdrawn, or
- All candidates who have filed have passed away or have been disqualified.

There is no void in candidacy as long as there is at least one viable candidate for an office.

If a void in candidacy for an office exists, a special three-day filing period will be opened. The Elections Office will provide notice of the special three-day filing period by notifying the media. There is no withdrawal period when filing for office during the special three-day filing period.

If a void in candidacy is filled as a result of the special three-day filing period, no primary will be held. All candidates who file during the special filing period will appear on the general election ballot.

**Lapsed Elections
RCW 29A.24.191,
RCW 29A.24.201**

If no candidate files for an office during the regular filing period and subsequent special three-day filing period, an election for that office will not be held until the next election for that office.

If no candidate files for any city, town or district position during the regular filing period and subsequent special three-day filing period, the incumbent continues to serve until a successor is elected at the next election when such positions are voted upon.

Guidelines for Primary

Partisan Offices RCW 29A.52.112, WAC 434-215-120, WAC 434-230-045, WAC 434-230-055, Clark County Home Rule Charter

A partisan office is an office for which a candidate may choose to indicate a political party preference or no party preference on his or her Declaration of Candidacy form. Federal, state, legislative and precinct committee officer positions are partisan offices.

A primary will be held for each open partisan office, regardless of the number of candidates filing, with the exception of an unexpired term for which *only* one candidate files a Declaration of Candidacy.

Each candidate for partisan office may state a political party that he or she prefers. A candidate's preference does not imply that the candidate is nominated or endorsed by the party, or that the party approves of or associates with that candidate. Changes to party preferences will not be accepted after the deadline for withdrawal of candidacy.

County offices are nonpartisan but will appear on the primary ballot regardless of the number of candidates filing for the office, per Clark County's Home Rule Charter.

The name of a candidate for a county council position will appear only on the ballot for his or her council district.

On the primary ballot, candidates shall be listed in the order determined by the lot drawing.

The two candidates who receive the greatest number of votes in the primary will advance to the general election regardless of their party preferences. The candidate who received the most votes in the primary will appear first on the general election ballot.

Nonpartisan Offices RCW 29A.52.220, RCW 29A.52.231, RCW 35.61.050, RCW 36.69.090, Clark County Home Rule Charter

A nonpartisan office is an office for which candidates do not indicate a party preference. All judicial, county, city, town, school and special purpose district offices are nonpartisan offices.

A primary will be held if three or more candidates file for a nonpartisan office. The two candidates with the most votes continue on to the general election. The candidate who received the most votes in the primary will appear first on the ballot in the general election.

County offices are nonpartisan but will appear on the primary ballot regardless of the number of candidates filing for the office, per Clark County's Home Rule Charter.

A primary will not be held for park and recreation district positions and cemetery district positions. All candidates will advance directly to the general election and will appear on the ballot in lot draw order.

**Election of Precinct
Committee Officers
(Even-Numbered
Years Only)**

Anyone who is a registered voter and a member of a major political party may become a candidate for Precinct Committee Officer (PCO). A candidate may file a Declaration of Candidacy Precinct Committee Officer form in person, by mail or online. Since voters do not register by political party in Washington, a candidate declares himself or herself to be a member of a political party at the time of filing.

PCOs will be elected during the primary.

If only one person files for office, he or she is deemed elected. Only PCO races with two or more candidates will appear on the ballot and write-in candidates are not allowed. Order will be determined by lot drawing with Democratic PCOs listed first on ballot. State law requires the major political party that received the highest number of votes from the electors of this state for the office of President of the United States at the last presidential election to be listed first. If no one files for office, the position is filled by the chairperson of the County Central Committee of the appropriate political party.

PCOs are not included in the Local Voters' Pamphlet.

Term of Office and Vacancies

The term of office is two years. Should a vacancy occur in the office (caused by death, disqualification, resignation or failure to elect), the chairperson of the County Central Committee fills the vacancy by appointment.

Duties of a PCO

Each officer is a member of the County Central Committee. The committee has the authority to nominate candidates or fill vacancies for state, legislative or county offices. The committee may also elect members to the State Central Committee. PCOs participate in party activities and represent the party.

Election and Period of Office

Five years after adoption of the charter and at every five years thereafter, the Council shall cause an election of a charter review commission.

The commission shall consist of 15 persons, elected on a nonpartisan basis; three will be from each council district.

Candidates must file during the regular candidate filing period and pay a \$25 filing fee. No primary will be held for this election. The election shall be held at the November general election.

The member receiving the greatest number of votes shall convene the commission. The term of office for persons elected to the commission shall be two years or until the work of the commission concludes, whichever occurs sooner.

**Election of Charter
Review Commissioners
(Every 5 years – Next
Election in 2025)**

Judicial Offices

Judicial candidates only appear on the primary ballot when three or more candidates file for the office. The candidates' names appear on the ballot in lot draw order.

See the chart below for more judicial office information.

An election to fill a vacancy in District Court may not occur in an odd-numbered year, per AGLO 1973 No. 76 and RCW 29A.04.321.

Guidelines for General Election

Partisan Offices

On general election ballots, the name of the candidate who received the greatest number of votes for the position in the primary will be listed first, followed by the name of the candidate who received the next greatest number of votes.

A candidate for partisan office may state the political party that he or she prefers. A candidate's party preference does not mean that the candidate is endorsed by the party. Changes to party preferences will not be accepted after the deadline for withdrawal of candidacy.

Nonpartisan/Judicial Offices RCW 29A.36.170

On general election ballots, the name of the candidate who received the greatest number of votes for the position in the primary will be listed first, followed by the name of the candidate who received the next greatest number of votes. If a primary was not required for a nonpartisan office, the candidates' names will appear in lot draw order.

Prohibited Activities

Acts Prohibited in the Vicinity of a Voting Center or a Ballot Deposit Site WAC 434-250-100, RCW 29A.84.510, RCW 29A.84.530, RCW 29A.84.540

During the voting period, no person may, within a voting center:

- Suggest, persuade, or attempt to suggest or persuade any voter to vote for or against any candidate or ballot measure
- Circulate cards or handbills of any kind
- Solicit signatures for any kind of petition
- Engage in any practice which interferes with the freedom of voters to exercise their right to vote or disrupts administration of the voting center

No person may:

- Interfere with a voter attempting to vote at a voting center or a ballot deposit site
- Without lawful authority, remove any ballot from a voting center or a ballot deposit site
- Within 25 feet of a ballot drop box not located within a voting center, electioneer, circulate campaign material, solicit petition signatures, or interfere or impede the voting process

Mandatory/Automatic Recounts RCW 29A.64

An automatic machine recount will be conducted if the difference in the number of votes cast for the apparent winner and the closest apparently defeated opponent is less than 2,000 votes and also less than one-half of one percent of the total number of votes cast for both candidates. The recount is applicable only to the candidate apparently nominated or elected to office and the closest apparently defeated opponent. The automatic recount will tally only votes for the position in question and will be conducted without charge to any candidate.

For statewide elections, if the difference in the number of votes cast for the apparent winner and the closest apparently defeated opponent is less than 1,000 votes and also less than one-quarter of one percent of the total number of votes cast for both candidates, the votes shall be recounted manually.

For all other elections, if the difference in the number of votes cast for the apparent winner and the closest apparently defeated opponent is less than 150 votes and also less than one-quarter of one percent of the total number of votes cast for both candidates, the votes shall be recounted manually. An alternative counting method may be used if both candidates agree to it in writing and if the procedure is suited to the balloting system that was used for casting the votes for the office.

If a mandatory recount is required for a candidate in a jurisdiction, the cost of the recount is billed as a direct cost to the jurisdiction.

Local Measure, Question or Issue

Automatic recounts do not apply to non-statewide ballot measures, such as levies, bonds, and other questions or issues.

Requests for Recounts

All requests for recounts must be submitted no later than two business days after the certification of the election. A deposit equal to 15 cents (machine recount) or 25 cents (manual recount) per ballot by certified check or cash is required. The final cost of the recount will be determined by the canvassing board and may be less or more than the deposit.

At any time before the ballots from all of the precincts listed in the application for the recount have been recounted, the applicant may file with the board a written request to stop the recount.

Clark County Voter Data RCW 29A.08.710, RCW 29A.08.720

- Voter history for the previous election
- A matchback identifies voters who have returned a ballot for an election in progress

State law does not allow phone numbers or email addresses to be made public.
