Glossary

Executive Summary

Chapter 1. Introduction, Administration, and Enforcement

- 1.1 Introduction
- 1.2 Administration
- 1.3 Enforcement
- 1.4 Plan Update Process and Recommendations

Chapter 2. Education and Outreach

- 2.1 Background and Existing Conditions
- 2.2 Needs and Opportunities
- 2.3 Evaluation of Alternatives
- 2.4 Findings, Recommendations, Implementations Tasks, and Schedule

Chapter 3. Garbage, Recycling, and Organics Infrastructure and Operations

- 3.1 Material Collection and Diversion
- 3.2 Material Transfer and Material Recovery (Processing)
- 3.3 Landfill Disposal
- 3.4 Alternative Technologies (includes Energy Recovery / Incineration)

Chapter 4. Organics Management

- 4.1 Background and Existing Technologies
- 4.2 Needs and Opportunities
- 4.3 Evaluation of Alternatives
- 4.4 Findings, Recommendations, Implementations Tasks, and Schedule

Chapter 5. Construction and Demolition Debris

- 5.1 Background and Existing Conditions
- 5.2 Needs and Opportunities
- 5.3 Evaluation of Alternatives
- 5.4 Findings, Recommendations, Implementations Tasks, and Schedule

Chapter 6. Hazardous Waste Infrastructure and Operations

- 6.1 Background and Existing Conditions

6.2 Needs and Opportunities

6.3 Evaluation of Alternatives

6.4 Findings, Recommendations, Implementations Tasks, and Schedule

Chapter 7. Funding and Financing Solid Waste Infrastructure and Operations

7.1 Funding and Finance

7.2 Findings, Recommendations, Implementations Tasks, and Schedule

Appendices

Appendix A - Acronyms and Definitions

Appendix B - SEPA Checklist and Determination

Appendix C - Washington Utilities and Transportation Cost Assessment Questionnaire

Appendix D - Solid Waste Interlocal Agreements

Appendix E - Solid Waste Management Plan Adopting Resolution

Appendix F - Regulations Applicable to the Regional Solid Waste Management Plan

Appendix G - Milestones for Solid Waste Management Plan

Appendix H - Implementation Tasks and Schedule

Appendix I - Disposal Sites in Clark County

Appendix J - Siting Guidelines for Solid Waste Handling Facilities

Appendix K – Regional Solid Waste System Study Phase 1 Report

Appendix L – Regional Solid Waste System Study Phase 2 Report

Appendix M – Equity Plan

Appendix N – Remedial Action Sites

Appendix O – Hazardous Waste Legislation

Appendix P – Hazardous Waste Generators Inventory

Appendix Q – Construction Demolition Legislation

Appendix R – Alternative Technologies

NOTES:

Implementation tasks and schedule will be addressed in each Chapter as applicable. A rollup of all tasks and schedule will be provided in an Appendix.

Public ownership option for solid waste system will be incorporated into Chapters 1, 3, and 6.
