Greetings Neighbors,

Now that we have been blessed with enough rain to ease our fears about wildfires, it's time to hold a meeting to hear about any concerns that our neighbors have and what we might be able to do to be ready for future threats. As many of you will well remember, some of our neighborhood had to evacuate due to a house fire that was starting to spread up the hill from Jenny Creek Rd. in August..

The Clark Cowlitz Fire and Rescue were on site almost immediately with several trucks, helicopters, police and others.

The full report is available at <https://clarkfr.org/wp-content/uploads/2023/09/Chiefs-Report-2023-August.pdf>.

We are so fortunate that they were able to take care of it for us. It is important to register with CRESA with your contact information as they were who was notifying the neighbors to evacuate. We were notified by phone, email, and text.

It also helps to share your email address with the neighborhood assn. so we can help as well. We can send out notices by email about lost pets, or local problems that would affect others.

We hope to see you at meeting. Snacks will be provided..

Thanks, *Val Alexander*, Secretary, East Fork Hills Rural Association
