Spay/Neuter Awareness Month

February is the time to remind all pet owners that spaying and neutering are in the best interest

of all animals. Cats and dogs that have been neutered are less likely to develop many fatal diseases and are less prone to engage in violent behavior. Spaying and neutering will cut down in the staggering number of animals in homeless shelters. For assistance contact the SW Washington Humane

Society www.southwesthumane.org & The Feral Cat Coalition Of Oregon www.feralcats.com

For problems that require immediate response, please call 564-397-2446. For issues that don't require immediate attention, such as potholes; road side dumping; broken or blocked road signs; park benches in need of repair; vegetation overgrowing trails; ... filling out an online maintenance request is an easy way to report a road/park concern. www.clark.wa.gov/public-works/report-park-road

Household Battery Recycling

Waste Connections will happily recycle your household batteries at the curb with a few guidelines:
#1- To avoid any spark from creating a fire hazard, they are advising to tape both ends of used batteries. Button batteries should be totally encased in tape.
#2- Save up your used taped batteries in a plastic bag and then place them on top of the blue recycle bin on your collection day. Do not put batteries in the recycle cart. Batteries have valuable metals and minerals that can be used again if recycled properly.

Reminder:

Misleading Recycle Symbol

The recycle symbol is universal, however, in the City of Vancouver & Clark County Waste Collections does not adhere to it mainly because we do not have industries in our area to take certain recyclable products and process the items. Don't become a victim of wishful recycling. Best to consult their "Recycling Done Right" program at <https://wcnorthwest.com/recyclerright> 360-892-5370.

**Neighborhood Association
Mission:**

The residents of the Hazel Dell area established the NE Hazel Dell Neighborhood Association (NEHDNA) in order to unite the common interests and promote the welfare of the area. The association is involved with a variety of matters, which affect the livability of the neighborhood and community in general.

All residents within the neighborhood association boundaries or neighboring areas not within an existing neighborhood association are welcome to attend and participate in the association.

If you have any questions or would like more information, please contact one of the officers or board members listed on this page. The NEHDNA does not subscribe to any religious affiliation or political party. Our desire is to work together for the common good of the neighborhood in which we all live. You don't have to live in the area to be a member or to come to the meetings! All are welcome.

Neighborhood Association newsletters are copied free of charge by the Clark County Neighborhood Outreach Office. The information and views expressed are solely those of the NE Hazel Dell Neighborhood Association and not Clark County Government or their employees.
