Though residents are highly encouraged to report concerns about the conduct of employees, Clark County Jail Services cautions residents not to make knowingly false or malicious allegations against employees. Making a false or malicious allegation to a law enforcement agency may result in severe civil penalties. Under some circumstances, it may constitute a criminal conduct. *RCW 9A.76.175: Making a false or misleading statement to a public servant. A person who knowingly makes a false or misleading material statement to a public servant is guilty of a gross misdemeanor. "Material statement" means a written or oral statement reasonably likely to be relied upon by a public servant in the discharge of his or her official powers or duties.*

I have written the above statement and it is true and correct:
