## Neighborhood Association

### Green Mt. an old trail, under our noses

Clark County, City of Camas preserve volcanic cone in public ownership

The well-worn trails to the summit of Green Mountain near the southern edge of the Proebstel Neighborhood Association clearly have been used by hikers and others for decades.

Now, thanks to a \$1.25-million state grant plus \$2.6 million from the City of Camas, the 55 acres including the Green Mountain volcanic cone and a 1.26-mile trail to the summit are preserved in public ownership.

Camas' acquisition of the Green Mountain summit is adjacent to Clark County's Green Mountain Legacy Lands open space to the north and east.

For a three-mile round trip to the 804-foot summit of Green Mountain, turn off Northeast Ingle Road to North 92nd Avenue and go to the intersection with North Boxwood Street. Turn left and follow Boxwood to just beyond the intersection with North 95th Avenue. The trailhead is a left turn off Boxwood and has parking for 10 vehicles.

Marked by a sign, the trailhead is at 261 feet elevation. The trail gently climbs to a junction in 0.73-mile and 411 feet elevation.

From this junction, there is a dead-end spur to the right for 0.21-mile to a viewpoint overlooking the surrounding area.

**It is about 1.4 miles with 540 feet of elevation gain to hike from the west trailhead for Green Mountain to the summit.**

To reach the summit, head left from the junction for 0.58-mile to the summit loop at 744 feet elevation.

The loop is 0.18-mile. The trip to the top, including the loop, totals 2.88 miles.

### **Sherff's office to provide updates at PNA meeting**

We will have an update from the Clark County Sheriff's Office at the Proebstel Neighborhood Association meeting at **6:30 p.m. Nov. 4** at Proebstel Church, 18702 N.E. Fourth Plain Rd.

The association has been on spring-summer hiatus. This will be the group's first meeting since February.

Other items on the agenda include:

An update on wildfire prevention efforts at Camp Bonneville, plus other news about the camp.

A presentation on winter emergency preparedness by PNA vice president Jared Lester.

Time also will be allotted for a discussion of other neighborhood issues.

The association is part of the Clark County neighborhood program.

The PNA's boundaries are quite expansive and include much more than Proebstel.

Livingston Mountain, Green Mountain and Northeast Rawson Road are in the boundaries.

There are 3,157 households within the boundaries on our mailing list.

# IN THE COMMUNITY

We wanted to celebrate the end of the 2024 school year by having some fun with the 2nd-grade class at Pioneer Elementary School! We tasked the students with interviewing Deputy Chris Pizan, who has been visiting their classroom each month throughout the school year as part of PAL Patrol.

PAL Patrol is a program offered by the Police Activities League of SW Washington, and pairs law enforcement officers with classrooms for a school year. CCSO Dep. Pizan partnered with Mrs. Duncan's 2nd-grade class this year, where he taught the students about different topics and created positive relationships.

## CAMP ROSENBAUM

IN JULY, SEVERAL DEPUTIES ATTENDED CAMP ROSENBAUM, A SUMMER CAMP FOR YOUTH.

## PAL + CCSO MCGU HIGH SCHOOL CSI CAMP

CCSO'S MAJOR CRIMES UNIT TEAMED UP WITH PAL TO HOST A CRIME SCENE INVESTIGATION CAMP FOR LOCAL HIGH SCHOOL STUDENTS.

# SANTA'S POSSE

Partnership of Giving

A partnership between the Clark County Sheriff's Office and the local community, working together to collect and distribute toys and food to make a special Christmas holiday for less fortunate families in our community.

In 1997, Santa's Posse was created as a way to help families in need during the holiday season and to increase positive contacts between law enforcement and the community.
