WHEREAS, in 2017 the Washington State Legislature passed the Basic Education Funding Act (Laws of 2017, 3d Spec. Sess., ch. 13), which makes changes to education funding in the state, including re-designating maintenance and operations levies as "enrichment levies" (hereinafter "educational programs and operations levies"), placing limits on levied amounts and directing the deposit of taxes levied commencing in 2025 to a sub-fund of the General Fund; and

WHEREAS, in order to provide for such financial obligations and educational needs, it is deemed necessary that additional taxes in the amounts set forth herein be levied for the District's General Fund for four years upon all of the taxable property within the District; and

WHEREAS, the Constitution and laws of the State of Washington require that the question of whether or not such excess taxes may be levied must be submitted to the qualified electors of the District for their ratification or rejection;

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Directors of Evergreen School District No. 114, Clark County, Washington, as follows:

1. **Declaration of Need.** It is hereby found and declared that the welfare of the students and other residents of the District require the District to carry out the plans described herein to pay part of the general expenses of the educational programs and operation of the District.
2. **Authorization of Levies.** In order to provide funds for the educational programs and operation of the District as described in Section 3 below, the following taxes for the District's General Fund should be levied upon all of the taxable property within the District in excess of the maximum annual tax levy permitted by law to be levied for the District without a vote of the electors:

Levy Year	Collection Year	Estimated Levy Rate*	Levy Amount

\* Estimated levy rate per \$1,000 of assessed valuation (based on 100% of true and fair value)

The exact levy rate and the actual amounts to be collected shall be adjusted based upon the actual assessed value of the property within the District at the time of the levy and the legal limit on the levy rate and levy amount applicable at the time of the levy.

3. **Voter approval: Use of Levy Funds.** Upon approval by the District's voters of the ballot proposition described in Section 4 below, the District may use the proceeds of the levies to pay such part of the general expenses of the educational programs and operation of the District as may be authorized or allowed by law for the use of excess levy funds, and to repay warrants or other lawful indebtedness incurred to defray such educational programs and operation expenses.
  
4. **Declaration of Emergency: Election.** It is hereby found and declared that an emergency exists requiring the submission of the proposition of whether or not such excess taxes should be levied for ratification or rejection by the qualified electors of the District, at a special election to be held on February 11, 2025.
