Please join us for our Neighborhood meeting on February 27.

Have you ever wanted to learn more about how to make your own rich compost for your yard and garden? Clark County's "We Compost!" will be at our meeting to help us learn more and tell you about the free resources available to you. There will also be a short presentation on how to recycle batteries—and why it's hazardous when batteries are tossed into the regular trash bins.

More information on recycling resources at: <https://clarkgreenneighbors.org/>

We're not an HOA and there are no dues—we're here to share information with you and work on improvements to our neighborhood. If you love our neighborhood and are interested in volunteering to help us keep our meetings going—and maybe even plan some fun community events—we would love to hear from you!

Some of our ideas: Coffee with a Cop, BBQ at the Park, a Community Garage Sale, and...? *We want to hear your ideas!*
