Details on other side

***Hello, Neighbor!* Join us for our first meeting of the year and tell us how WHDNA can be a resource for you.**

WHDNA is a community group dedicated to the well-being of our residents and keeping West Hazel Dell a wonderful place to live, work, and learn. **We are not an HOA.** There are no dues and fees. Our events are free for all to enjoy, and our meetings are open to all voices, regardless of identity or background.

Help Your Neighborhood Thrive

We're working on our **Neighborhood Action Plan** and this is your opportunity to add your ideas for how WHDNA can be a resource to the community.

Join other volunteers to help organize events and advocate for your neighbors.

When we help a neighbor today, we've made sure there's a neighbor to help us tomorrow.

We value your voice and your contributions to WHDNA's mission. You are part of what makes West Hazel Dell a great place to live and we're excited to meet you!

Our first meeting of 2025 will include introductions from Board Members and Committee Leaders, updates on events and activities, and information on how you can help. Learn about our committees, including Diversity, Youth Leadership, Traffic and Safety, and Bicycle and Pedestrian Transport. There will also be time to speak and share about what's important to you.

Visit our new website for more details and the chance to volunteer! www.westhazeldell.org
