SUNNYSIDE NEIGHBORS: Please join us for our first meeting of 2025. Everyone who is within our boundaries is receiving this notice. **Our meeting will focus on sharing with you the current development projects within the Sunnyside neighborhood boundaries.** The county's Community Development staff will be here to go over the developments in our neighborhood and answer our questions on the projects that are coming soon. Will there be more roadwork on 99th Street? Will there be more roundabouts? Why is there a new cell tower on 94th Avenue? *Come and find out!*

Our first Orchards Highland Neighborhood Park cleanup of the year will be Saturday, April 26. It is scheduled for 10 am. Please meet near the playground at south west entrance, 9310 NE 112th Ave. This effort helps keep our parks clean and looking good for all our neighbors. Jim Foley, a Planning Team member in SNA, will supervise this activity. Tell us you are coming so we can send more details: sunnysidenava@yahoo.com

Green Bag program: for the past 6 years, some in our neighborhood have participated in the Clark Neighbors Food Project. Every other month, we each donate a bag full of nutritional food to the food bank. Right now, I have 8 donors because several have moved away or were unable to continue. My trunk can handle about 5 more bags! If you can help with this effort, write me at sunnysidenava@yahoo.com for more details.
