

## RESOLUTION 2025-06-02

A RESOLUTION recognizing and protecting Bigfoot in Clark County, Washington.

**WHEREAS**, legends, sightings, and investigations suggest that a bipedal apelike creature known as Bigfoot (aka Sasquatch) may exist in the remote portions of Clark County; and

**WHEREAS**, Clark County desires that its residents recognize the need to protect Bigfoot if it exists, as the rareness of sightings indicate an extremely endangered creature; and

**WHEREAS**, even if Bigfoot does not exist, the idea and folklore behind it represent the need for stewardship of the natural landscape in all its wildness, beauty, and mystery; and

**NOW, THEREFORE, BE IT RESOLVED BY THE CLARK COUNTY COUNCIL:**

That Bigfoot is a protected creature in Clark County, that all County residents recognize Clark County as a refuge for Bigfoot, to provide both protection and security to any undiscovered life, and to appreciate the mystery of this world and the wild and undeveloped portions of Clark County.
