

# Youth Prescription Medication After Release

We want to make sure you know how to get your child's prescription medication after they leave detention.

Recent changes in our medical provider's process affect how medications are handled.

## **If your child was taking prescription medication in detention:**

**The prescription will be sent to:**

**Walgreens Pharmacy**

 2521 Main Street, Vancouver, WA 98660

 (360) 693-2524

 **Prescriptions are usually ready within 1 to 3 days after release.**

 **Call Walgreens before going to the pharmacy** to make sure the prescription is ready for pickup.

## **Need Help?**

If you have any problems getting the medication, please contact:

**Detention Manager**

 (564) 397-2450

**Website**
