Please join us on **Wednesday, September 10** to hear from Clark County's Public Works Department about a **new program** that allows *OUR NEIGHBORHOOD* to decide about an **area that needs traffic management** and **submit a proposal for remediation in 2026!**

We'll have to get a team together to write up our NE Hazel Dell proposal for submittal by the end of the first quarter of next year, so that we can nominate a project for an intersection or area.
Do you have an idea about a "problem area" you'd like to nominate? Please attend to learn about this new program and volunteer to help us with our report.

We'll also hear about

-An update on the Hazel Dell Park equipment vote:

Which design was the winner? Castles or Treehouses?

-Charter Commission Review 101—

What is the charter and why is it important?

Why are we electing people to review this document?

We want to hear from you about what you'd like at the November meeting!

Neighborhood Associations are not HOAs.

We are here to connect, share information, and work with the county to address any concerns you may have about public safety, your parks and roads, and the quality of life in our neighborhood.
