First Year - 2026
Steve Gallup, Public Works

Secretary Needed

Duties include attendance and taking minutes at 3 neighborhood meetings a year and 6 board meetings a year (1 hour every other month), and helping with planning and setting up fun events.

If you're interested in the traffic in our neighborhood, you'll want to attend our meeting on October 16th.

We'll be learning about the new Neighborhood Traffic Management Plan from Public Works. Our neighborhood will be able to propose safety improvements within our neighborhood in 2026 for consideration.

Traffic circles, speed bumps, flashing safety signs and other options are available. We'll be organizing a committee to complete our proposal for submittal in January or February next year.

We want to hear from you!

Good Neighbor Day

PHNA encourages each HOA, Neighborhood Block or rural area to do something to together. **Let's reverse the epidemic of loneliness in our country.**

Host neighbors for evening coffee and dessert.

Plan a soup and potluck for neighbors in your driveway.

Leave a surprise affirmation at your neighbor's door.
"I really enjoy seeing your beautiful roses on my walks!"

PHNA

Our association was formed by neighborhood residents and is supported by Clark County's Neighborhood Program Coordinator. Unlike HOAs, which are established by developers, our association includes everyone in the larger neighborhood. Our members regularly receive important updates from the county on issues such as annexation plans and new housing or business developments. Whether you own or rent your home, everyone is welcome to participate.

PHNA's key goal for 2025

is to provide local information, organize activities, and build a stronger community.
