- Water
- At-Home Certification

Brainstorm sheet: Middle

Educator toolkit Activity #1

Name: _____

Your Green Team needs a name!

The Green Team is all about sustainability and making schools healthier. Think about your favorite things to do outside.

Can you come up with a fun team name related to nature?

Your Green Team needs a logo and motto!

Using your Green Team name ideas, draw an image to be your logo and brainstorm a motto. Many organizations use logos and mottos so their products are easily recognized. Below are some examples.

Pick a focus for your Green Team!

Listed below are eight categories. Circle two categories that interest you the most.

- Energy
- Healthy School Buildings
- School Gardens
- Habitat Restoration
- Transportation
- Waste & Recycling
- Water
- At-Home Certification

Create a project

Brainstorm sheet: Middle

With your two categories in mind, use your imagination to create a project your Green Team can create! Draw and write your ideas below.

Write a goal

With your project ideas in mind, write a goal for your green team.

Remember to make your goal S.M.A.R.T.

Specific: one thought or idea

Measurable: something you can easily track the progress of

Actionable: something with clear actions to achieve the goal

Realistic: something you can accomplish

Time-bound: how long will it take to complete?

Example: The Green Team will reduce waste by installing four more recycling bins this fall.

Brainstorm sheet: High School

Educator toolkit Activity #1

Name: _____

Your Green Team needs a name, logo and motto!

The Green Team is all about sustainability and making schools healthier. Think about the longevity of your Green Team and brainstorm names, logos and mottos that can be used year after year.

Pick a focus for your Green Team!

Listed below are eight categories. Circle two categories that interest you the most.

- Energy
- Healthy School Buildings
- School Gardens
- Habitat Restoration
- Transportation
- Waste & Recycling
- Water
- At-Home Certification

Create a project and write a goal Brainstorm sheet: High School

With your two categories in mind, brainstorm a project your Green Team can accomplish in one school year.

Write a measurable goal to accompany your project idea.

What are the first steps?

What are the first three steps to begin your project?

Consider people who can support you and the resources you will need.
