NINE STEP PLANNER
CLARK COUNTY WORK SESSIONS

REQUESTED BY:
Public Works/Lands Management Division

1. **TOPIC: Legacy Lands**

2. **NAMES OF STAFF PRESENTING/ATTENDING:**
   Jennifer Coker, *Kevin Tyler*, *Ross Hoover*, *Denielle Cowley*

3. **TIME FRAME**
   Length of time needed for staff presentation: 1 hour
   Desired date: November/December 2026
   Scheduled date:

4. **TIMING CONSIDERATIONS:**
   Council requested an overview of the Legacy Lands program and Conservation Futures funding, including how property acquisitions are prioritized, how they are developed, and historical acquisitions. The Natural Areas Acquisition Plan guiding this work will be updated as part of the parks system plan update.

5. **DESIRED RESULTS:**
   Public Works will provide a general overview of the Conservation Futures levy, Legacy Lands program and the Natural Areas Acquisition Plan to demonstrate how the program has been functioning. Public Works requests Council input to help inform the development of the natural areas acquisition strategy as the parks system plan update kicks off.

6. **IMPACTS (COMMUNITY/FINANCIAL/STAFF/OTHER):**
   Public Works will spend the next several months engaging with community members, partners, stakeholders, and leaders to begin updating the parks system plan. This effort will inform the natural areas acquisition strategy.

7. **POLICY IMPLICATIONS:**
   The natural areas acquisition strategy will guide the acquisition of conservation land and help inform regional trail priorities over the next 20 years.

8. **ISSUES TO BE CONSIDERED:**
   Public Works will present the current natural areas acquisition plan and seek input from council regarding conservation priorities.

9. **RECOMMENDED ACTION:**
   This will be an informational session with historical information on the Legacy Lands program and the current outreach and engagement approach that will guide development of the plan.
